

Your Freight Transportation Provider

Packard realizes how important it is to depend on a motor carrier that can meet— and exceed—your freight transportation needs.

When you choose Packard Transport as a carrier, you have access to our nationwide network of more than 250+ safe and qualified owner-operators with flat bed, step deck, drop deck and van equipment. Regularly scheduled shipments, as well as one-time loads, are handled with courtesy and efficiency. Our fleet of operators specialize in hauling the following freight: air handling units, aluminum, building materials, mining equipment, truck bodies as well as government freight.

Our customers include numerous Fortune 500 companies as well as the Department of Defense.

Packard Transport, Inc. is proud to be:

- *Recognized as a SmartWaySM Transport Partner by the U.S. Environmental Protection Agency*
- *ISO 9001:2008 Certified by third-party registrar Det Norske Veritas since 1998*
- *Veteran owned and operated*

Founded in 1989, Packard Transport, Inc. is located in Channahon, IL. Led by Rex D. Easton, Chairman, Packard was established with the goal of establishing the finest truckload freight carrier nationwide utilizing independent owner-operators exclusively. Packard is 100% committed to DOT compliance, the safety of its owner-operators, as well as the general public.

Packard is committed to providing superior quality transportation service that is cost effective and safety oriented. We maintain exceptional performance standards, with honesty and integrity. Our organization is committed to family, community and the environment.
